North Frontenac Little Theatre has earned a grant of \$1000 from the Retired Teachers of Ontario for a "Service to Others Award". The welcomed gift will go toward the purchase of a new sound system for backstage and onstage use.

The RTO Service to Others Award is designed to support community programmes with an education related

theme, often involving children, disadvantaged groups, culture and heritage.

NFLT has been entertaining the community of Sharbot Lake and its environs with live theatre for some forty years. Its mission components include a sense of inclusion, the fostering and showcasing of local talent and partnering with our community at large.

President's Message

WONDER of wonders we did it again, put on a great show by all accounts, with Jeff Green confirming that perception in his glowing review in the Frontenac News. Everyone involved in this production should feel proud of what we accomplished in just 2 months. As I watched people leaving the auditorium I observed their happy faces and knew we had achieved our goal: creating a comedy all could enjoy.

Now preparations begin for the Spring production, a brand new musical written by our own Jeff Siamon. We will be looking for a production crew very early in January to get this show off to a running start. I know Jeff will be giving more information about "The Boy Wonder" in this newsletter.

A brainstorming meeting was held last week to discuss the 40th Anniversary of NFLT next year. Thanks to all who attended and contributed to our lively discussions. Jan Leavitt recorded all the ideas presented and these will be printed up in the next newsletter.

Merry Christmas to all! Have a safe and happy holiday and let it snow, let it snow, let it snow.

Happy Trails
